¹**Question 76:** Since your new baby was born, have you gotten counseling for your depression?

²**Survey Question 74:** Since your new baby was born, did a doctor, nurse, or other health care worker tell you that you had depression?

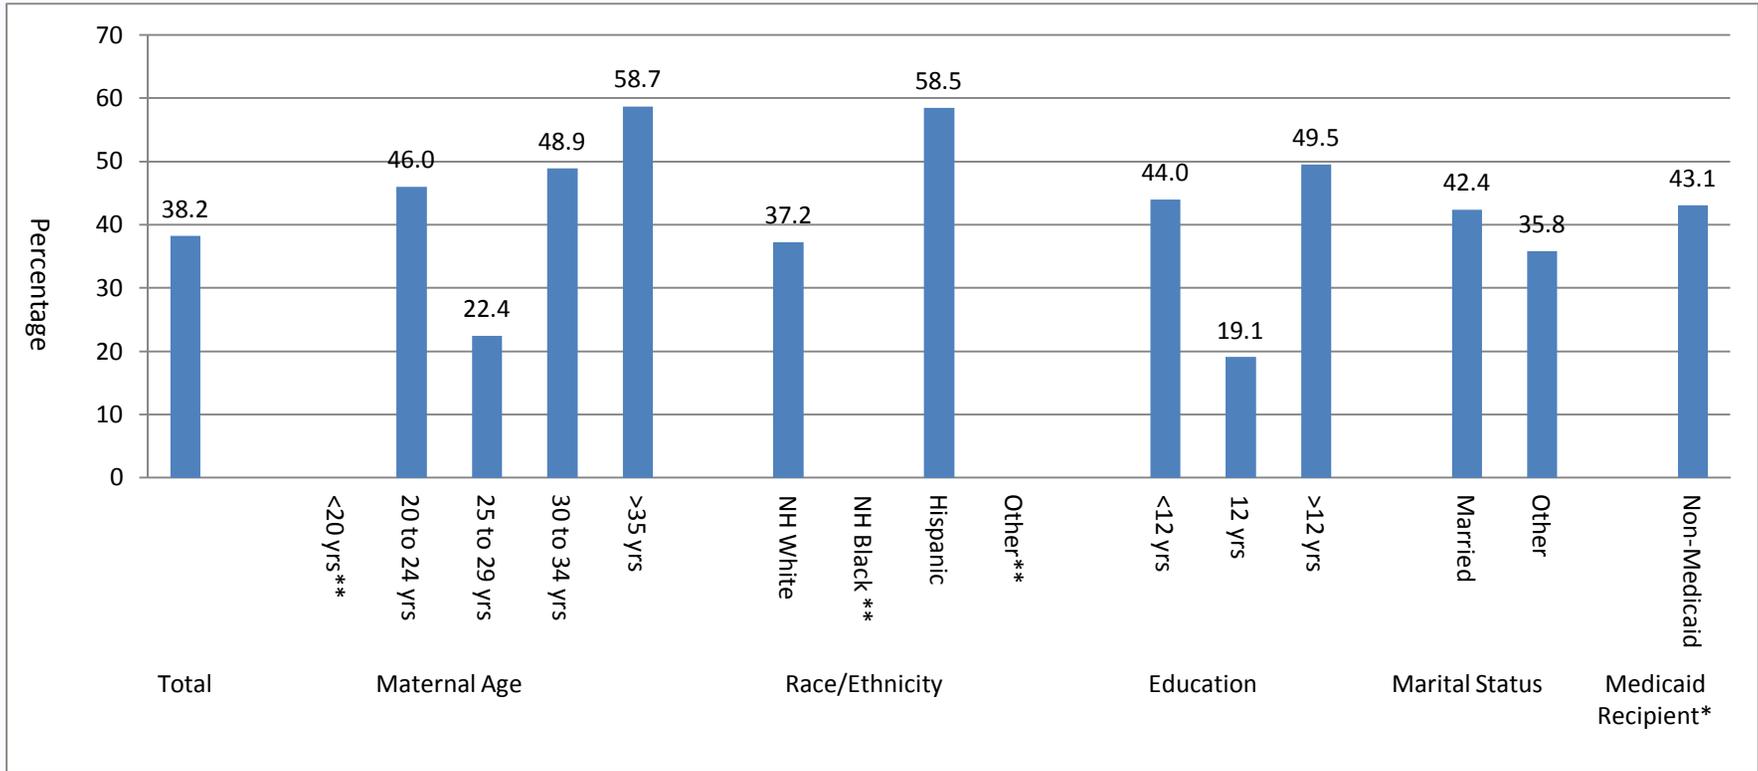

³**Percentage** = Weighted percentage of Illinois mothers giving birth in 2012 with the specified indicator for each characteristic.

⁴**Respondents (N)** = Total number of mothers who responded to this question with Yes; total N = 1075 (Yes or No); Total N value for each characteristic varies due to unanswered questions, survey skip patterns, and invalid responses.

⁵**Estimated population affected** = Estimated number of Illinois mothers giving birth in 2012 with the specified indicator for each characteristic

*Delivery paid for by Medicaid
